STEP 2: Complete 5 of 10 activities listed.

READ

Any book and any amount of time counts! Let your child decide how much time to spend reading. When you let your child explore books that interest them, the reading experience will be more meaningful - it's the time spent together that will have the greatest impact.

ACTIVITIES

- ☐ Play Peekaboo or Simon Says.
- ☐ Learn a new rhyme or song.
- ☐ Visit the library StoryWalk® at Green Lake Park or take a nature walk in your neighborhood. Talk about what they see and hear around them.
- ☐ Sing a song or play with a textured toy during bath time.
- ☐ Build with blocks or make an art project together.
- ☐ Help your child draw pictures or make cards and send them to friends or family.
- ☐ Sing or say a nursery rhyme and clap to keep the rhythm.
- ☐ Write your child's name using different colored crayons or chalk.
- ☐ Blow bubbles and count them.
- ☐ Sing together, taking turns making up motions to your favorite songs.

PRIZES
