

## **INTERNET SAFETY TIPS!!!**

1. Never give out personal information like address or phone numbers to anyone while you're online.
2. Never agree to get together with someone you meet online.
3. Watch out for persons offering you drugs or wanting to meet you in person.
4. Don't become an Internet crime victim, tell your parents about any suspicious activities.
5. Always follow your parents' rules set up for your Internet use.
6. Never send pictures of yourself to anyone without your parents' permission.
