

3M Cloud Library

How to Download eBooks with the 3M Cloud Library

The **3M Cloud Library** allows you to download eBooks for use on your computer, Android or iOS powered device and Nook eReader and tablet. Some key information to note before you begin is:

- You must have a valid Indian Trails Library District card to use this resource.
- Each registered cardholder has access to 15 checkouts at one time and is able to place up to 30 holds at one time.
- Each item can be checked out for two weeks. After the two week period is up, the item will automatically be returned.
- You must have an Internet connection to check out and download eBooks.

Step 1: Download the 3M Cloud Library App from the Apple App Store, Google Play, NOOK Storefront or install the PC or Mac Cloud Library Apps.

- The PC or Mac apps can be downloaded by going to www.indiantrailslibrary.org, clicking the **books & media** tab, clicking **downloadables**, and then clicking **3M Cloud Library**.
- Next, choose either the blue **PC APP** or **MAC APP** button to download.

Step 2: Log into the Indian Trails Library District.

- Using the drop down menu, select your state, library, and enter your Indian Trails Library card number in the **username field** and PIN number in the **password field**.
- Agree to the **End User License Agreement** and click or tap **Login**.

Step 3: Browse, check out and read! (All of this is done within the app itself)

- To check out an item, click or tap on the item cover and then click or tap the green **Check Out** button.
- If a title is currently checked out, you may place a hold on the item by clicking or tapping the grey **Add to Hold List** button.

Step 4: Transferring eBooks to an eReader

- After you have checked out your eBooks, connect your eReader to your computer.
- The **3M Cloud Library** software should automatically recognize your device.
- Under the **MyBooks** tab of software, you will see a green **Transfer to Device** button across the bottom of each item.
- Click on this button to transfer the item to your device.

Step 5: Returning Items Early

- **Using the PC or Mac application**, go to the **MyBooks** tab, then click the **List View** button located in the upper right-hand corner of the screen.
- Now, click the red **Check In** button.
- In the **iOS** app, tap **My Books**, then tap the red **Check In** button in the top right-hand corner. Your books will begin to wiggle. Click the “**x**” in the top left-hand corner of the cover of the item, and then click **Yes** from the pop-up box.
- In the **Android** app, tap **My Books**, and then tap **List View**.
- Click on the title you would like to return and click the red **Check In** button at the bottom of the screen.

***Note:** 3M has provided online instructions for using the Cloud Library with your Kindle Fire, however, the Indian Trails Library District will not offer support for completing this process and assumes no responsibility for data loss or damage to your device. These instructions can be found by visiting <http://3m-ssd.implex.net/cloudapps/> and clicking the blue Kindle Fire button on the left-hand side of the page.
