

How to Download Free Magazines with Zinio

The magazines that you select through **Zinio** are always available to view anywhere that you have Internet access through a computer, data network, or WiFi enabled device. You can also download magazines for times when you don't have an Internet connection. The **Zinio for Libraries app** is available for Android and iOS devices. There is also a desktop reader available for both Mac and PC machines. Some key information to note before you begin is:
