### Library Card Information

Please fill out this form to get your very own Indian Trails Public Library card! Then print it out and bring it in to the library. We also need a valid driver's license or something with your current address on it, like a utility bill. If you're too young to have a driver's license, just bring in a parent to help. And if you have a valid library card from anywhere else, bring it in. That will make it easier.
