

Crime scene capers

For forensics fans

The Architect

Dr. Frank Clevenger is a forensic psychiatrist working for the FBI. His latest case pits him against a brilliant architect who does not stop at just designing homes for his clients. He also aspires to improve their lives, by removing unwanted or abusive family members. Has Clevenger met his match in the cunning and diabolical West Crosse?
Fiction/*Ablow, Keith* [check catalog](#)

Bones to Ashes

Temperance Brennan is a forensic anthropologist who is called in to solve the toughest cases. When the skeleton of a young girl is found in the small town of Acadia the case is a disturbing one for Temperance. She grew up in Acadia and her childhood best friend went missing. Has her friend been found and was she one of a series of victims?
Mystery/*Reichs, Kathy* [check catalog](#)

Blow Fly

Kay Scarpetta, former chief medical examiner of Virginia, is at the start of a new career in private practice. She receives a chilling invitation from a killer who sits on death row. The information that he will give her leads to the unraveling of a conspiracy that has an international reach, and also hits close to home.
Mystery/*Cornwell, Patricia* [check catalog](#)

Dead Dry

Geologist and investigator Em Hanson is assigned to help the Salt Lake City police probe a death. A body has been found in a gravel quarry, buried under a slide. Em quickly determines that the slide was no accident and also recognizes the victim, oilman and fellow geologist Afton McWain.
Mystery/*Andrews, Sarah* [check catalog](#)

Flesh and Bone

Dr. Bill Brockton, the (fictional) founder of the world famous Body Farm, is a forensic anthropologist. When the battered body of a young man is found in nearby Chattanooga Dr. Brockton re-creates the death scene at the Body Farm. When another corpse appears Brockton finds himself accused of a horrific crime and must use all of his expertise to save his career.
Fiction/*Bass, Jefferson* [check catalog](#)

Obsession

Forensic psychologist Dr. Alex Delaware discovers that Patty Bigelow, the adoptive mother of one of his younger patients has made a deathbed confession of murder. Delaware is skeptical since he knows the woman as a selfless and hard-working E.R. nurse. He begins searching for a phantom victim of a crime that may never have been committed.

Fiction/Kellerman, Jonathan [check catalog](#)

Sequence

Dr. Alexandra Blake is a geneticist at the Armed Forces Institute of Pathology in Washington D.C. When several women are murdered near military bases she is asked to put her normal duties aside and work on the investigation. Her initial reluctance is soon replaced by a resolve to catch the killer.

Fiction/Andrews, Lori [check catalog](#)

Stalemate

Eve Duncan reconstructs the skulls of murder victims to help identify them and bring their killers to justice. Usually she works for law enforcement and for families of the innocent but this time her client is one of the world's most wanted men. She agrees to solve a mystery for him in exchange for information about her own past.

Fiction/Johansen, Iris [check catalog](#)

The Twelfth Card

Lincoln Rhyme is a consulting forensic scientist working for the NYPD. He cannot go to crime scenes because he is confined to a wheelchair. Detective Amelia Sachs is his partner, and his eyes and ears. Together they try to discover what a modern day killer has to do with a case that is one hundred and forty years old.

Fiction/Deaver, Jeffery [check catalog](#)

Unnatural Selection

Forensics professor Gideon Oliver accompanies his wife to the Scillely Isles, off the coast Cornwall, where a rich Russian expatriate has invited her to a conference. Gideon amuses himself by digging around the local Neolithic sites and comes across a recently abandoned human bone. When a conference attendee is murdered as well, things get interesting.

Mystery/Elkins, Aaron [check catalog](#)
