## Material Requests

Teachers can request up to 30 items on any subject (depending on availability). Material can be checked out for a 6-week period, using a teacher or school library card. Unfortunately, we are not able to provide bookbags at this time, so please bring your own bag.

## Teacher and School Library Cards

Teacher library cards are available to teachers who are employed by schools within the Indian Trails Library District boundaries. Teacher library cards are distributed through individual schools and may be used to check out materials for use in classrooms. Alternatively, a school may request one school library card to be shared by all staff.

Teacher and school library cards are for checking out material to be used in classrooms. If you wish to check out items for personal use, please register for an ITPLD card or reciprocal borrowing.
