

Hello from Indian Trails Public Library

WHERE'S MY NEWSLETTER?

During COVID-19 everyone has learned new ways to do old things. Library staff learned how to host virtual programs and offer in-person services online. The way we plan has changed and that means being comfortable with uncertainty.

We miss people gathering in the library, but understand it may be awhile before we can come together in the same space.

In keeping with current health guidelines, our staff decided to host virtual programs through the end of the year. If we can add in-person programs at a later date, we will announce them on the website.

Because all programs will be online, we chose to suspend mailing a September/October newsletter. We know many of you look forward to the newsletter. By foregoing the printing of the newsletter we can save money and time that can be directed toward other areas.

A printable newsletter will be uploaded to the library's website in mid-August. Please check the calendar on the website for the most up-to-date program information.

Thank you for your support and patience as we continue to navigate through this time.

GET A LIBRARY CARD

Although an Indian Trails Library card is not needed to use many of ITPLD's services, it gives you access to many things you might not be aware of, such as e-books and streaming movies. You can also check out Launch Pad on the Go Kits, mobile Wi-Fi hotspots and the newest books and DVDs.

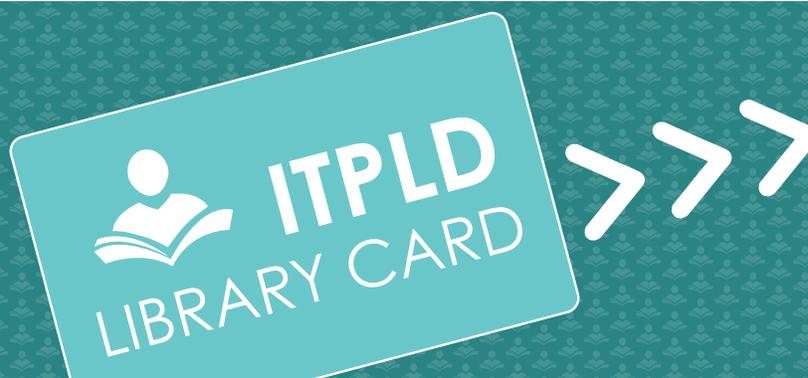

We've made it easy to get your card online:

- 1 Click **Catalog** at www.itpld.org
- 2 Use the dropdown menu in **My Account** in the top bar
- 3 Select **Log In / Register**
- 4 Click **Here to Register Now** in the first sentence
- 5 Follow the prompts

After registering for your card, you'll receive an email within 48 hours with your library barcode. **Remember the PIN number assigned to your card**, as you will need it to access e-resources and check out e-books. Stop by the Circulation Desk at the main library with identification to pick up your permanent card and start borrowing books, DVDs and more from our collections in-house.

SIGN UP TO RECEIVE THE LIBRARY'S E-NEWSLETTER

The library sends out a brief e-newsletter at least once a month highlighting programs, services and other relevant information. It's a great way to stay up to date on all that is happening at the library. You can subscribe at www.itpld.org by scrolling down to the sign-up box or text ITPLD to 22828.

WIRELESS PRINTING WITH THE PORTAL

Print from a computer at the library, your home computer or laptop and pick up your print job at the library. It's easy:

- 1 On www.itpld.org click **ePRINJit** at the top of the page.
- 2 Upload your files and follow the prompts. Don't forget to enter your user name or library card number.
- 3 You will receive a confirmation email with a special code. Bring the code with you for copy retrieval.
- 4 Pick up your print jobs at the main library within 7 days.
(Pick up at The Branch is not available at press time.)

DIY2GO BAGS

Pick up a DIY2Go bag in the library or at the drive-up window, beginning in September. Each bag contains a fun, family-friendly make-and-take craft or STEAM activity; primary supplies and directions are included. The bags change weekly on Monday, so stop by each week to pick up a new mystery craft. No check out necessary. Available while supplies last.
