School Events

We are available for one open house or parent event per school year, at your school. Please give at least four weeks notice and include information about the event, expectations of the library staff and any other requests.

Library Tours

Bring your class to the library for a tour. Tours are scheduled at least three weeks in advance. Visits are based upon staff availability for a given day, so alternative dates are always helpful.

Please visit itpld.info/teachers to complete the School Event & Tour request form.

Please allow three school days for a request to be fulfilled.

Bookbag & Material Requests

Teachers can request up to 30 items on any subject (depending on availability). Materials can be checked out for a 6-week period, using a teacher or school library card.

Teacher and School Library Cards

Teacher library cards are available to teachers who are employed by schools within the Indian Trails Library District boundaries. Teacher library cards are distributed through individual schools and may be used to check out materials for use in classrooms. Alternatively, a school may request one school library card to be shared by all staff. itpld.info/teachers

Teachers can use their library card to reserve a study room 24 hours in advance at: itpld.info/study-rooms
