

LIBRARY NOTICES

Log in to My Account or speak with a staff member to set your notice delivery preference: email, text, phone or mail.

1

HOLD NOTICES

When an item is ready for pick up, you'll receive a notice by email, text, or phone. If you aren't able to pick up your hold within seven (7) days, you'll receive notice that your hold was cancelled.

2

REMINDER NOTICES

Receive an email 3 days before items are due, notifying you if items were automatically renewed with a new due date or are due on the original date.

3

OVERDUE NOTICES

If items are overdue, you'll be notified by email, text, phone or mail after 3 days.

Two additional overdue notices will be sent if items are 14 days and 28 days overdue. Library accounts are blocked when an item is 14 days overdue.

4

BILL NOTICES

If an item is 45 days overdue, your account is billed for a replacement item. The bill notice is sent by email, text or mail. If your preference is a phone call, a notice will be mailed.

If the item is returned within three months of the due date and/or before the account is sent to collections (whichever comes first), the charges are removed from the account and the account is no longer blocked.

- Reminder notices can be sent by text if you have an email on file and you opt to receive an additional text message notification.
- Text and email notifications from the library are from "FRM:no-reply@ccslib.org." These notifications may go directly into your email spam folder. Please adjust your email settings to receive notifications.
