Preschool Visits

Let us bring the library to you with our interactive programs incorporating stories, songs and movement. Our programs can be aligned to your current themes or topics.

Preschools may request one visit per classroom during the school year. Visits will be scheduled September 2025 – April 2026. Visits must be arranged with at least one week's notice.

Please use our booking site to schedule a visit during this time: itpld.info/preschool-visits

Preschools may also request a short promotional video about Summer Library Adventure in May 2026 to share with your students.

School Events & Library Tours

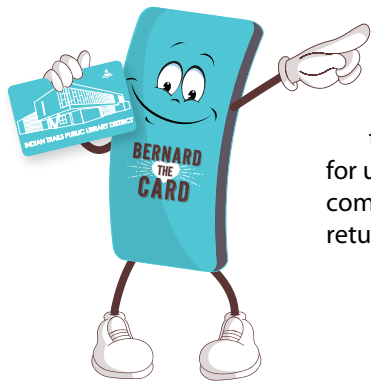

To request library staff at a school event or to schedule a tour of the library for your students, please visit itpld.info/teachers and complete the School Event & Tour request form. Please give at least four weeks notice and include information about the event, expectations of the library staff and any other requests. School event attendance and library tours are subject to staff availability.

Please allow three school days for a request to be fulfilled.

Bookbag & Material Requests

Teachers can request up to 30 items on any subject (depending on availability). Materials can be checked out for a 6-week period, using a teacher or school library card.

Request items: itpld.info/teachers

School Library Cards

Each preschool within the library's district can receive a library card, which offers staff the opportunity to check out library materials for use in classrooms for a 6-week period. Please complete the school library card contract and return it to the Indian Trails Library.

Booklists

Library staff can create custom booklists for your staff on any subject. Visit Indian Trails Library's YouTube channel for storytime videos.
