

Teen Space

Indian Trails Library's Teen Space is intended for use by members in grades 6-12. While all members are welcome to browse and check out materials from the Middle School and High School collections, the computers and furniture in the Teen Space are reserved for the exclusive use of members in grades 6-12. Members who are not in grades 6-12 may be asked to move elsewhere in the library.

All members using the Teen Space are expected to follow all library policies.
