## Preschool Visits

Let us bring the library to you with our interactive programs incorporating stories, songs and movement. Our programs can be aligned to your current themes or topics.

Visits are scheduled March-April 2023, 9 am-2 pm.

Visits are arranged with at least one week's prior notice.

Book your visit at: [itpld.info/preschool-visits](https://itpld.info/preschool-visits)

Share a short video about Summer Library Adventure with your students in May 2023 to encourage summer reading.

## School Events

We are available for one open house or parent event per school year, at your school. Please give at least four weeks notice and include information about the event, expectations of the library staff and any other requests.

### Library Tours

Bring your class to the library for a tour. Tours are scheduled at least two weeks in advance. Visits are based upon staff availability for a given day, so alternative dates are always helpful.

Please visit [itpld.info/teachers](https://itpld.info/teachers) to complete the School Event & Tour request form.

## School Library Cards

Each preschool within the library's district can receive a library card, which offers staff the opportunity to check out library materials for use in classrooms for a 6-week period. Please complete the school library card contract and return it to the Indian Trails Library.

*Please allow three school days for a request to be fulfilled.*

## Bookbag & Material Requests

Teachers can request up to 30 items on any subject (depending on availability). Materials can be checked out for a 6-week period, using a teacher or school library card.
